

FISCAL NOTE

SB 969 - HB 1379

February 21, 1997

SUMMARY OF BILL: Requires the state to provide for specific funding for the acquisition of technology equipment needed to prepare classrooms for the 21st century curriculum, and to cover the cost of infrastructure improvements to school buildings which are necessary to accommodate such technology equipment. This funding shall be in addition to funds received under the BEP allocation for the local education agency.

ESTIMATED FISCAL IMPACT:

Increase State Expenditures - Exceeds \$1,000,000

Costs would be determined by the individual needs of each local education agency which are estimated to exceed \$1,000,000 in the aggregate.

CERTIFICATION:

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.
